1. Dashboard Playit Click Here

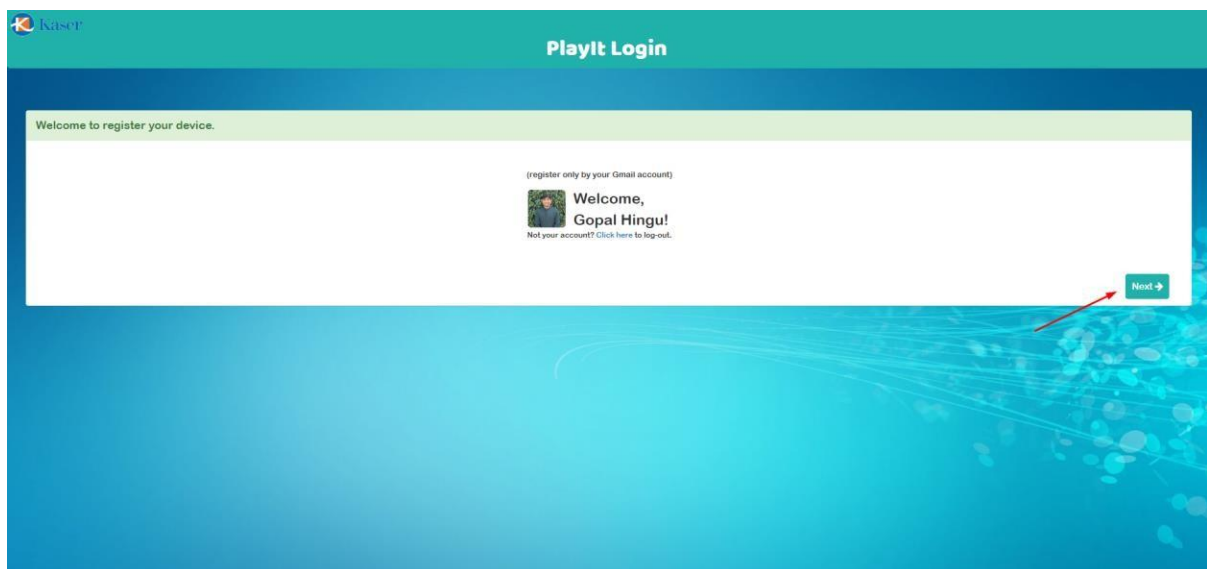

2. Sign In With Google Account

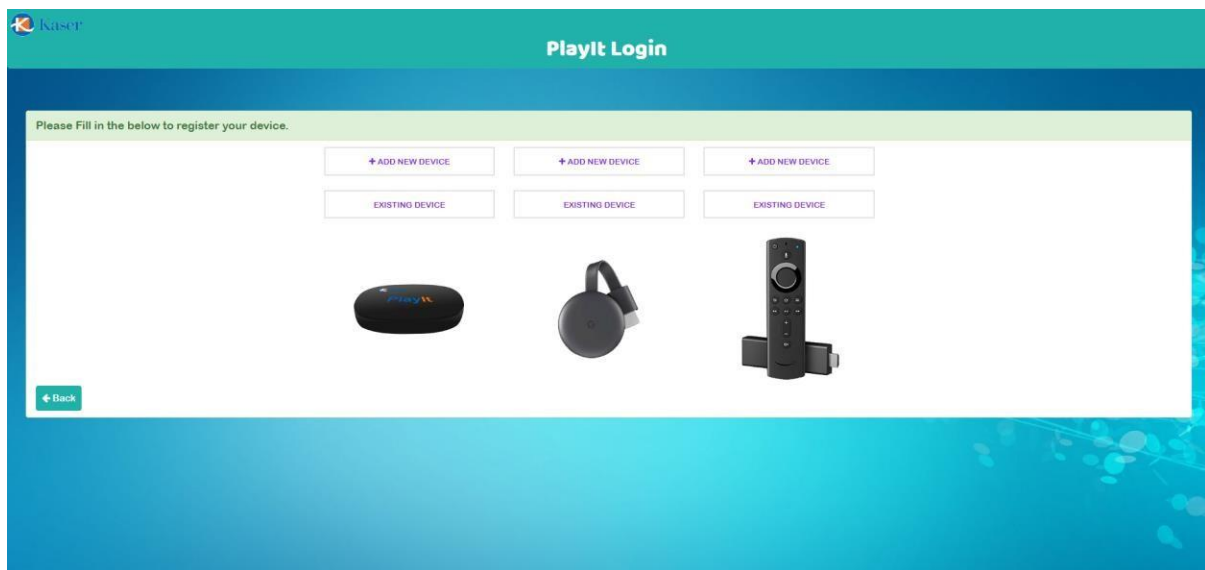

3. Login Google Account

4. Click On Next Button

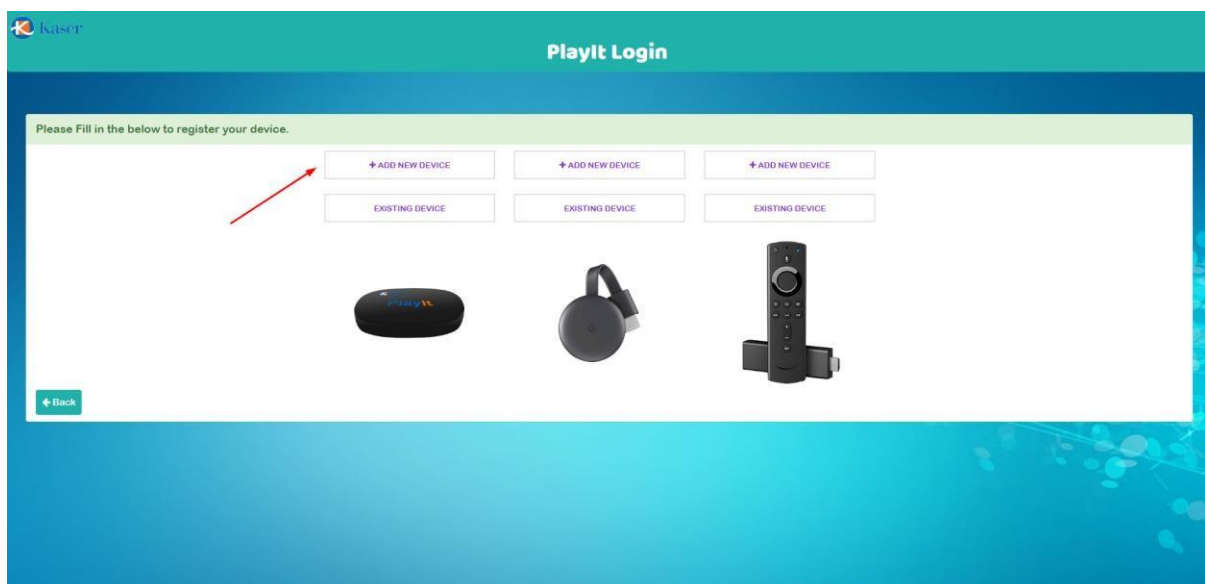

5. PlayIt Login Page

The screenshot shows the 'PlayIt Login' page with a teal header. Below the header, a light green box contains the instruction 'Please Fill in the below to register your device.' Below this, there are three columns of buttons. Each column has a '+ ADD NEW DEVICE' button on top and an 'EXISTING DEVICE' button below it. Underneath the buttons are three images of devices: a black PlayIt box, a black PlayIt headset, and a black PlayIt remote control. A green '+ Back' button is located in the bottom left corner of the form area.

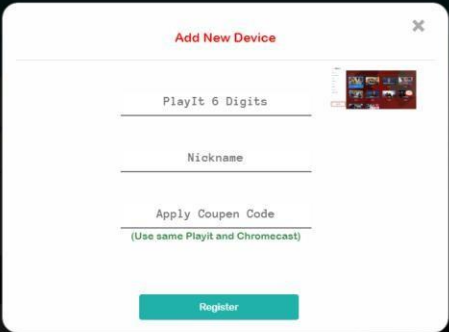

6. Add New Device

This screenshot is identical to the one above, but with a red arrow pointing to the first '+ ADD NEW DEVICE' button in the top row of buttons. This highlights the option to add a new device.

7. Add New Device Register

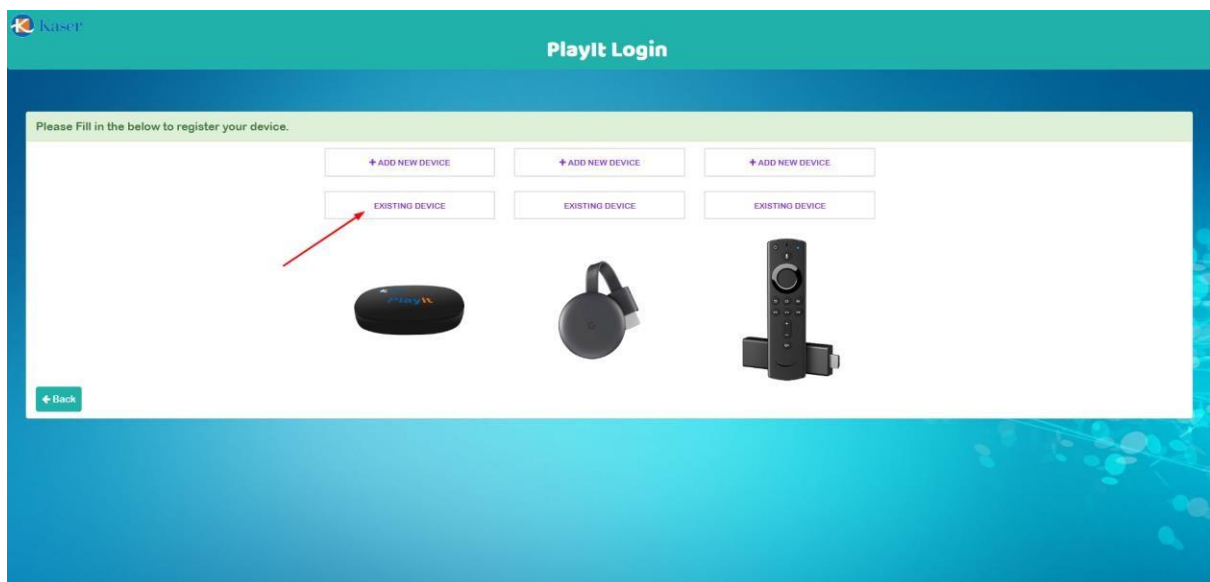

The image shows a modal window titled "Add New Device" with a close button (X) in the top right corner. The modal contains the following fields and elements:

- A header "Add New Device" in red text.
- A field labeled "PlayIt 6 Digits" with a small image of a device to its right.
- A field labeled "Nickname".
- A field labeled "Apply Coupen Code" with a subtext "(Use same Playit and Chromecast)".
- A green "Register" button at the bottom.

The background of the page is dark and shows a blurred "Please fill in the below to register your device." form.

8. Existing Device

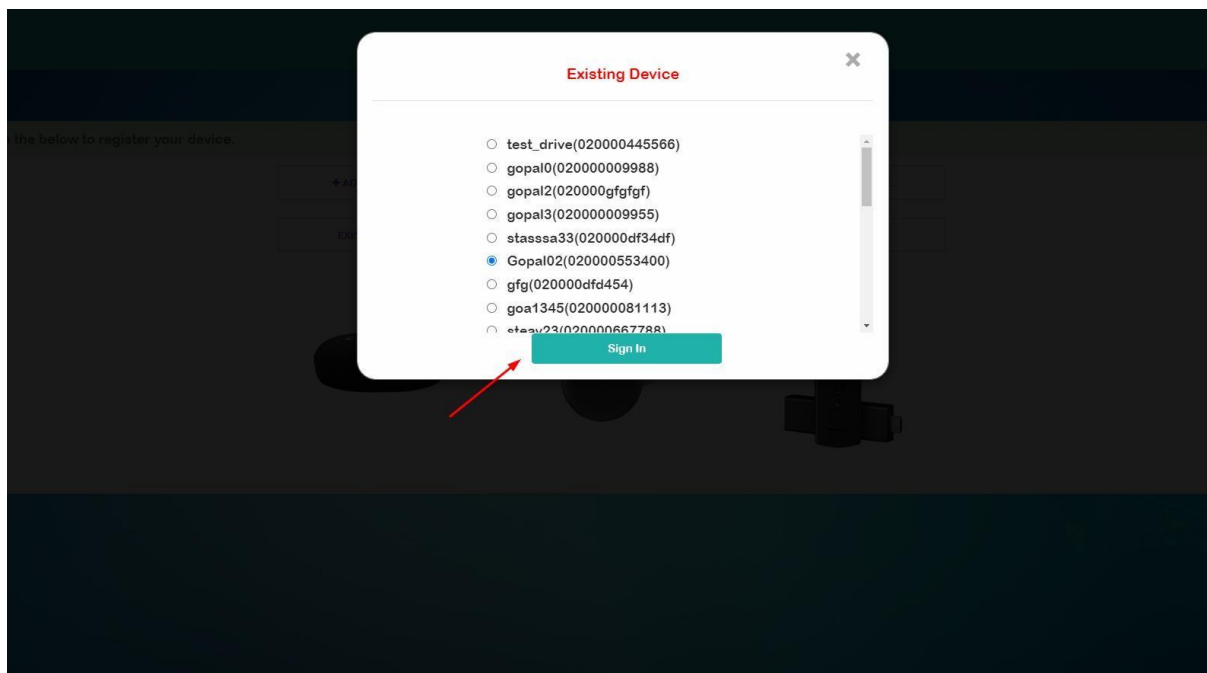

The image shows the "PlayIt Login" page. The header is teal with the "Kaser" logo on the left and "PlayIt Login" in the center. Below the header, there is a light green banner with the text "Please Fill in the below to register your device." Below this banner, there are six buttons arranged in two rows of three:

- Top row: Three buttons labeled "ADD NEW DEVICE".
- Bottom row: Three buttons labeled "EXISTING DEVICE".

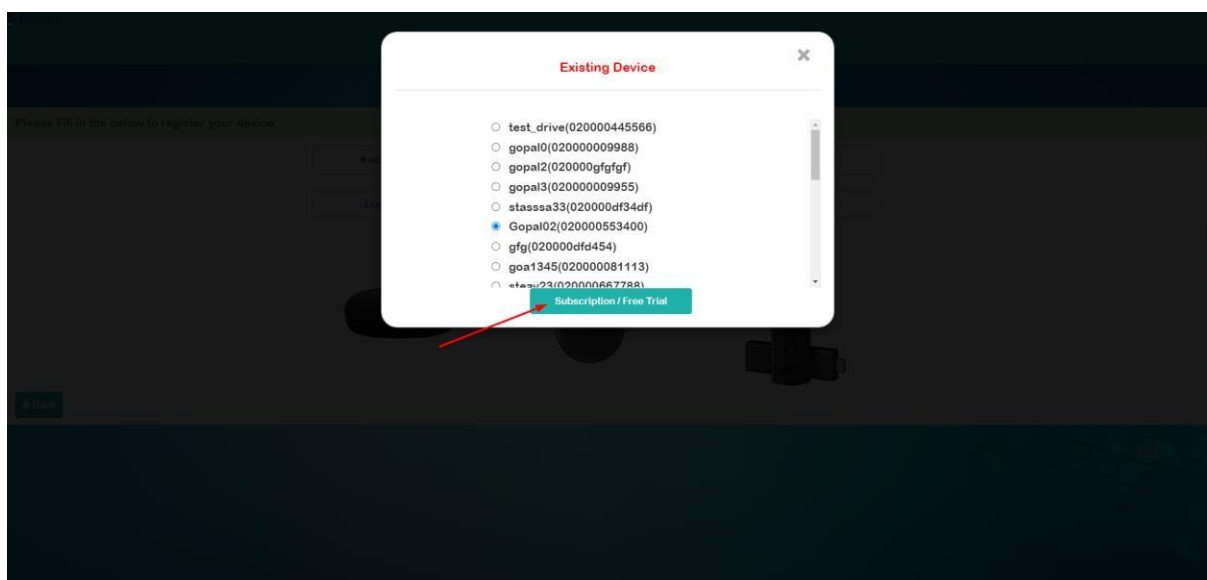

A red arrow points to the first "EXISTING DEVICE" button. Below the buttons, there are three images of devices: a black PlayIt device, a black headset, and a black Chromecast. In the bottom left corner, there is a green "Back" button.

18. Active and Inactive Playlist

19. Add New Categories, Update categories and Delete Categories

The screenshot displays the 'Manage Categories' interface for Kaser PlayIt. At the top, there is a header with the Kaser logo and the title 'Manage Categories'. Below the header, there is a button labeled 'Add new category' with a green plus icon. A red arrow points to this button. Below the button, there is a table with the following columns: 'Category', 'Videos', and 'Options'. The table lists seven categories: Business, Entertainment, Food, Life style, News, Sports, and Travel. Each category has a corresponding number of videos and a set of options (a toggle switch and a delete icon). A red arrow points to the delete icon for the 'Business' category. Below the table, there is a 'Return to Playlist' link. The interface is shown within a Google Chrome browser window. The Windows taskbar at the bottom shows the time as 11:58 AM on 14-10-2022.
